# *gift* Wrapping Tips

Get smart when it comes to wrapping your gifts! Save time and effort with these ideas:

- \* Skip the paper and use decorations instead! You can use some ribbon to wrap around boxes or pieces of clothing and add a little christmas ball or ornament for some oomph.
- \* Make your gift bags eco-friendly! Go for cloth bags instead of paper ones or wrapping paper.
- \* If you still want to wrap, go for recycled paper! You can still decorate or print something for some personal touch!
