STAR ACHIEVER PROGRAM

ORGANO™ EUROPE

WE HEARD YOU!

ORGANO™ understands the importance of having a clear path towards success, that's why we revamped our legendary Star Achiever program with brand new perks and mechanics to make it easy for you to track your victories and set a clear path towards your goals.

WHAT IS THE STAR ACHIEVER PROGRAM?

It is a program designed by ORGANO™ to recognise retail excellence and consistency. Our stellar Distribution Partners are part of it because they commit to selling every month and achieve their goals every single time.

HOW CAN I BECOME A STAR ACHIEVER?

Becoming a Star Achiever has never been easier! You can become an OG Star Achiever when your PQV sums 450 or more every month!

Your customer retail orders plus your personal product orders are computed to equal your total PQV monthly.

Think of it, the average ORGANO™ customer drinks an average of 3 boxes of coffee per month. This means that by having only 10 single customers that buy 3 boxes per month equals 30 boxes that get you more than the necessary 450 PQV.

SOUNDS CHALLENGING...

It is not! Because the Star Achiever's minimum requirement of 450 PQV per month is based on solid market fundamentals.

If you are in this for the long haul, all you have to do is check your numbers and calculate how much product you need to run your business! We have a few tips for you on how to do this:

- 1** Calculate your household consumption: those are the products you consume, they also add up to your PQV.
- 2** Calculate your samples, they are an investment for the continuity of your business as they can help you convert those prospects into customers or even business partners.
- 3** Calculate the number of retail items you need, the products you need at your Opportunity meetings and/or product presentations.
- 4** Don't forget to include the Wholesale products or the items that will be sold to your new personally sponsored Distribution Partners so they can sample while they get their first order. If you add them up and plan for each month you'll be able to reach the necessary 450 PQV, or maybe even discover that you need much more. Each time you get one of the milestones (accumulated Stars) you will unlock access to incredible perks, rewards, and surprises. When you reach each milestone you'll receive an amazing prize and a digital certificate of your level!
